1 DEFINITION

1.1 Championship Series - This series shall be known as the Rocky Mountain Division Championship Series, also referred to as the RMDIV Series and shall annually determine the champion Rocky Mountain Division race drivers in SCCA race competition classes as listed in GCR 9.1, and additionally shall provide competition for any other classes, as defined in the Supplementary Regulations.

1.2 Term of the Series - The series shall begin with the first race after the SCCA Runoffs. If the final race of the calendar year occurs after the Runoffs, finishes/points earned in that race may count towards that season, as well as towards the subsequent years' RMDIV points total. This exception shall also be stated in the supplemental rules for that race.

1.3 Events – Events in the RMDIV Series consist of all Regional & Majors weekends (1 or more consecutive days) held in Rocky Mountain Division. Regional weekends may have two (2) or four (4) races during the weekend. Majors weekends have two (2) races during the weekend.

Drivers may be required to upgrade their competition license before their entry is accepted.

4.3 Minimum Number of Events - Drivers must participate in a minimum of at least two (2) events, and must finish at least six (6) races in the same class to be eligible for the year end championship trophies. These will be posted at Hospitality at all Rocky Mountain Division events. Copies will be available to all entrants. A final standing, indicating trophies to be awarded will be distributed to RMDIV region webmaster(s) for publication as soon as possible after each event.

6 AWARDS

6.1 Trophies Championship Awards - Trophies will be awarded based on the number of series drivers in each class using the numbers standard of GCR 3.8 6.2.

6.2 Champions - Class champions will be those drivers having the highest series scores in each class and have met the participation requirements of section 4.3.
